Response Due Date:

Identification Number: C00003111

Reference: Amended Mid-Year Report (1/1/05 – 6/30/05), received 12/5/05

Dear Mr. Roy:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

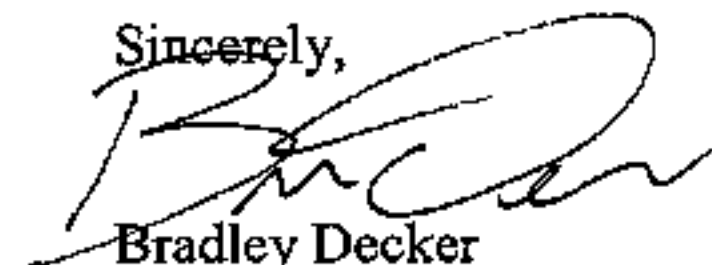

-On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. It appears that you are calculating the aggregate year-to-date totals using the "Activity or Event Identifier" for the transactions identified as "Telemarketing 2005" and "Direct Mail 2005", which you have also categorized as Administrative expenses. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category, not by individual purpose such as "Utilities" or "Rent". Please amend your report by providing the correct event year-to-date totals.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1301.
